Winner
Hug Day
2025

Open your arms to convey warmth! The annual International Hug Day is coming. On this day, regardless of region and age, hugging has become the warmest way of expression. In order to celebrate this warm day, Divoom specially launched the 2025 International Embrace Day Pixel Art Competition! With the theme of hugging, show the unique love and warmth in your heart.

Whether it is a warm family hug, a sweet couple hug, or a picture of natural and human hugs, as long as it can convey warmth, tolerance and love, it can become your creative inspiration! Let's bring a touch of warmth and emotion to the world with pixel brushes!

Congratulations to the following members!!
